GENERAL INFORMATION

Built on a history of success, the 45th Turbomachinery and 32nd International Pump Users Symposia (TPS 2016) proved to be another excellent event. Both symposia began with common goals to promote professional development, technology transfer, peer networking and information exchange among industry professionals. Now held together annually in the fall, this combined event serves as a premier training and networking opportunity for professionals in both industries.

COLLOCATIONS

Houston Oil and Gas Convention

Roseland Oil and Gas successfully collocated its Houston Oil & Gas Convention at TPS 2016. Roseland's exhibit hall featured more than 125 companies. TPS attendees enjoyed free entry to the Roseland exhibit with their TPS badge. The Houston Oil & Gas Convention will return in 2017 for another year of collocating with TPS!

Insulation Expo USA

TPS 2017 will feature an additional exhibition collocation with Insulation Expo USA (IEX). IEX is the first-ever major North American trade show covering insulation for mechanical systems in the commercial and industrial markets. IEX connects equipment manufacturers and the suppliers of sheet metal and insulation products, services and technologies with key buyers. 74 exhibiting companies from 9 countries were featured at IEX USA 2015 held in Rosemont, IL.
