

ATPS 2018

POST-EVENT PROFILE

The Asia Turbomachinery & Pump Symposium (ATPS) is a vital industry event, offering a forum for the exchange of ideas between rotating equipment engineers and technicians worldwide. Based on the longstanding Turbomachinery & Pump Symposia in Houston, ATPS is becoming known for its impact on turbomachinery, pump, oil & gas, petrochemical, power, aerospace, chemical and water industries through its technical education program and international exhibition.

ATTENDANCE REPORT

TOTAL ATTENDEES:  670

68
EXHIBITORS

DELEGATES:

EXHIBIT HALL DELEGATES	450
TECHNICAL SESSION DELEGATES	220
GUESTS/OTHER	49

LEARN.

Learn how to do what you do better with more than 20 technical sessions featuring the latest research in the industry. Learn how to do what you do, better, with lectures, tutorials and case studies led by industry experts

INNOVATE.

Take a one-day short course on industrial gas turbines or pump cavitation, or sit in on a discussion group about with colleagues to learn from their experiences and share your own

CONNECT.

Visit with delegates, leaders and company representatives on the exhibit floor and at corporate networking and social events.
